

A close-up photograph of a lit candle, held gently in two hands. The candle is the central focus, with a bright flame and a warm, orange glow. The hands are softly blurred, creating a sense of intimacy and care. The background is dark, making the candle's light stand out.

KONDOLENZEN

„We watched the sun go down as we were walking
I'd spend the rest of my life just standing here talking
You would explain the current, as I just smile
Hoping that we'll stay the same and nothing will change
And it'll be us, just for a while“ Miley Cyrus, Malibu
